

Jessica Lin is a Senior ORISE Fellow to the U.S. Department of Energy in the Office of Energy Policy and System Analysis. Prior to her current role, she worked on international energy projects with the World Bank Group, primarily focusing on what role the bank could play to commercialize clean energy technologies. She started her career in the private sector, working in finance and strategic management consulting, before leading a wireless mesh technology social enterprise startup. She received her Master's in Public Policy from the Harvard Kennedy School and her Bachelors of Science in Electrical Engineering and Computer Science from MIT.
